

mp gourmet's Winter Table

Invitation to the Winter Table members' meeting

Date: Tuesday, June 1st 2010, 7pm start.
Host: Port Phillip Estate
Venue: 263 Red Hill Road, Red Hill South. Mel Ref: 191 G2

The Venue - The new Port Phillip Estate winery has opened its dramatic front door on the Morningsong Peninsula - a spectacular home for renowned Kooyong and Port Phillip Estate wines. Port Phillip Estate has a spacious 85 seat dining room, where Chef Simon West's contemporary, regional and seasonal inspired menus take the stage. Simon returns home to the Morningsong Peninsula, thrilled to be back in one of Australia's best regional destinations and creating food to complement the region's outstanding wines. The striking, light filled interior of the restaurant has a central fireplace and panoramic views. With a list of influential Australian and international wines curated by winemaker Sandro Mosele, the scene is set for some exciting dining.

Guest Speaker - Wayne Shields from Peninsula Fresh Organics will be the guest speaker at the Winter Table Meeting. Wayne and his partner, Tash, have been operating at Farmers Markets for the past 9 months, bringing their fresh organic produce direct to the consumer and cutting out the middle man. Their farm became Certified Organic in February this year, however the family have been trading under organic practices for the past 12 years. The family also offers a delivery service of their produce to homes and businesses around the Peninsula.
